*To meet the terms of this agreement, the CCAF course used in CSU's Program Electives section must contain the prefix of LAW, SEC, INT, UGT, SDI or SQT.

Actual number of transfer credit hours awarded (and therefore the number of hours to be completed at CSU) will be based on actual courses completed successfully at CCAF for which there exists a CSU equivalent and could be more than the number of transfer credits in the example above.

CSU is in the process of converting to new course numbers and anticipates completion by July 1, 2022.

Students considering completing this BS degree at Columbia Southern University are encouraged to contact their assigned academic advisor as early as possible to discuss enrollment options.
