- To receive the transfer credit shown in the CSU Major Requirements, General Education, and Open Electives categories, RSTC courses must be completed as outlined.

- RSTC general education courses can potentially transfer toward CSU general education requirements, as outlined in this agreement, or Open Electives. RSTC courses that do not fit CSU's general education categories will be reviewed for possible Open Electives credit.

- All CSU and RSTC courses listed in the Humanities and Fine Arts – Group A category may be reviewed for application to the Humanities and Fine Arts – Group B category if needed. Duplicate transfer credit is not permissible.

- Direct transfer credit for a Major Requirement or General Education course requires the transfer course to be a minimum of 3 semester hours.

- CSU Math and English Composition transfer credit possible with grade of "C" or higher.

- Credit awarded is subject to degree requirements at the time of enrollment.

- CSU is in the process of converting to new course numbers and anticipates completion by the end of 2022.

- Actual number of transfer credit hours awarded (and therefore the number of hours to be completed at CSU) will be based on actual courses completed successfully at RSTC for which there exists a CSU equivalent and could be more or less than the number of transfer credits in the example above. Please note, CSU accepts a maximum of 90 semester hours of transfer credit in the bachelor's degree program.
