English Composition	6	WCC Composition (3)		
Total Credits Required Bachelor of Science in Occupational Safety and Health	120		60	60

* Transfer Credit/General Notes:

- WCC's General Education courses that do not satisfy CSU's General Education categories will be reviewed for Open Electives credit, if applicable.
- Math and English courses must be a grade of C or higher.
- Direct transfer credit for all degree categories must be a minimum of 3 semester hours, except in the Open Electives category. In cases where 4 or more credits are earned, the remaining credit will be reviewed for Open Electives category, if applicable.
- All CSU and WCC courses listed in the Humanities and Fine Arts – Group A category may be reviewed for application to the Humanities and Fine Arts – Group B category if needed. Duplicate transfer credit is not permissible.
- Credit awarded is subject to degree requirements at the time of enrollment and current transfer credit policy, which are subject to change.
- CSU is in the process of converting to new course numbers and anticipates completion by the end of 2023.
- All transcripts for previously attended colleges must be submitted for full CSU transfer credit.
- The total transfer credit amount assumes maximum WCC general education transfer towards CSU general education requirements. Actual number of transfer credit hours awarded (and therefore the number of hours to be completed at CSU) will be based on actual courses completed successfully at WCC for which there exists a CSU equivalent and could be more or less than the number of transfer credits in the example above.

** Apprenticeship documentation must be submitted along with the Washtenaw Community College transcript for apprenticeship transfer credit.
