*Transfer Credit/General Notes:

- To receive the transfer credit shown in the CSU Major Requirements, General Education, and Open Electives categories, CA courses must be completed as outlined.
- CSU Math and English Composition transfer credit possible with grade of "C" or higher.
- CA general education courses can potentially transfer toward CSU general education requirements, as outlined in this agreement, or Open Electives. CA courses that do not fit CSU's general education categories will be reviewed for possible Open Electives credit.
- CSU's Humanities & Fine Arts A credit is possible from select CA courses starting with the prefix ART, MUS, PHL, REL, and THR. Duplicate transfer credit is not accepted.
- Direct transfer credit for a Major Requirement or General Education course requires the transfer course to be a minimum of 3 semester hours.
- Credit awarded is subject to degree requirements at the time of enrollment.
- CSU is in the process of converting to new course numbers and anticipates completion by the end of 2022.
- Actual number of transfer credit hours awarded (and therefore the number of hours to be completed at CSU) will be based on actual courses completed successfully at CA for which there exists a CSU equivalent and could be more or less than the number of transfer credits in the example above. Please note, CSU accepts a maximum of 90 semester hours of transfer credit in the bachelor's degree program.
